The Deer

Deer Park High School
1955-1956
Deer Park, Texas

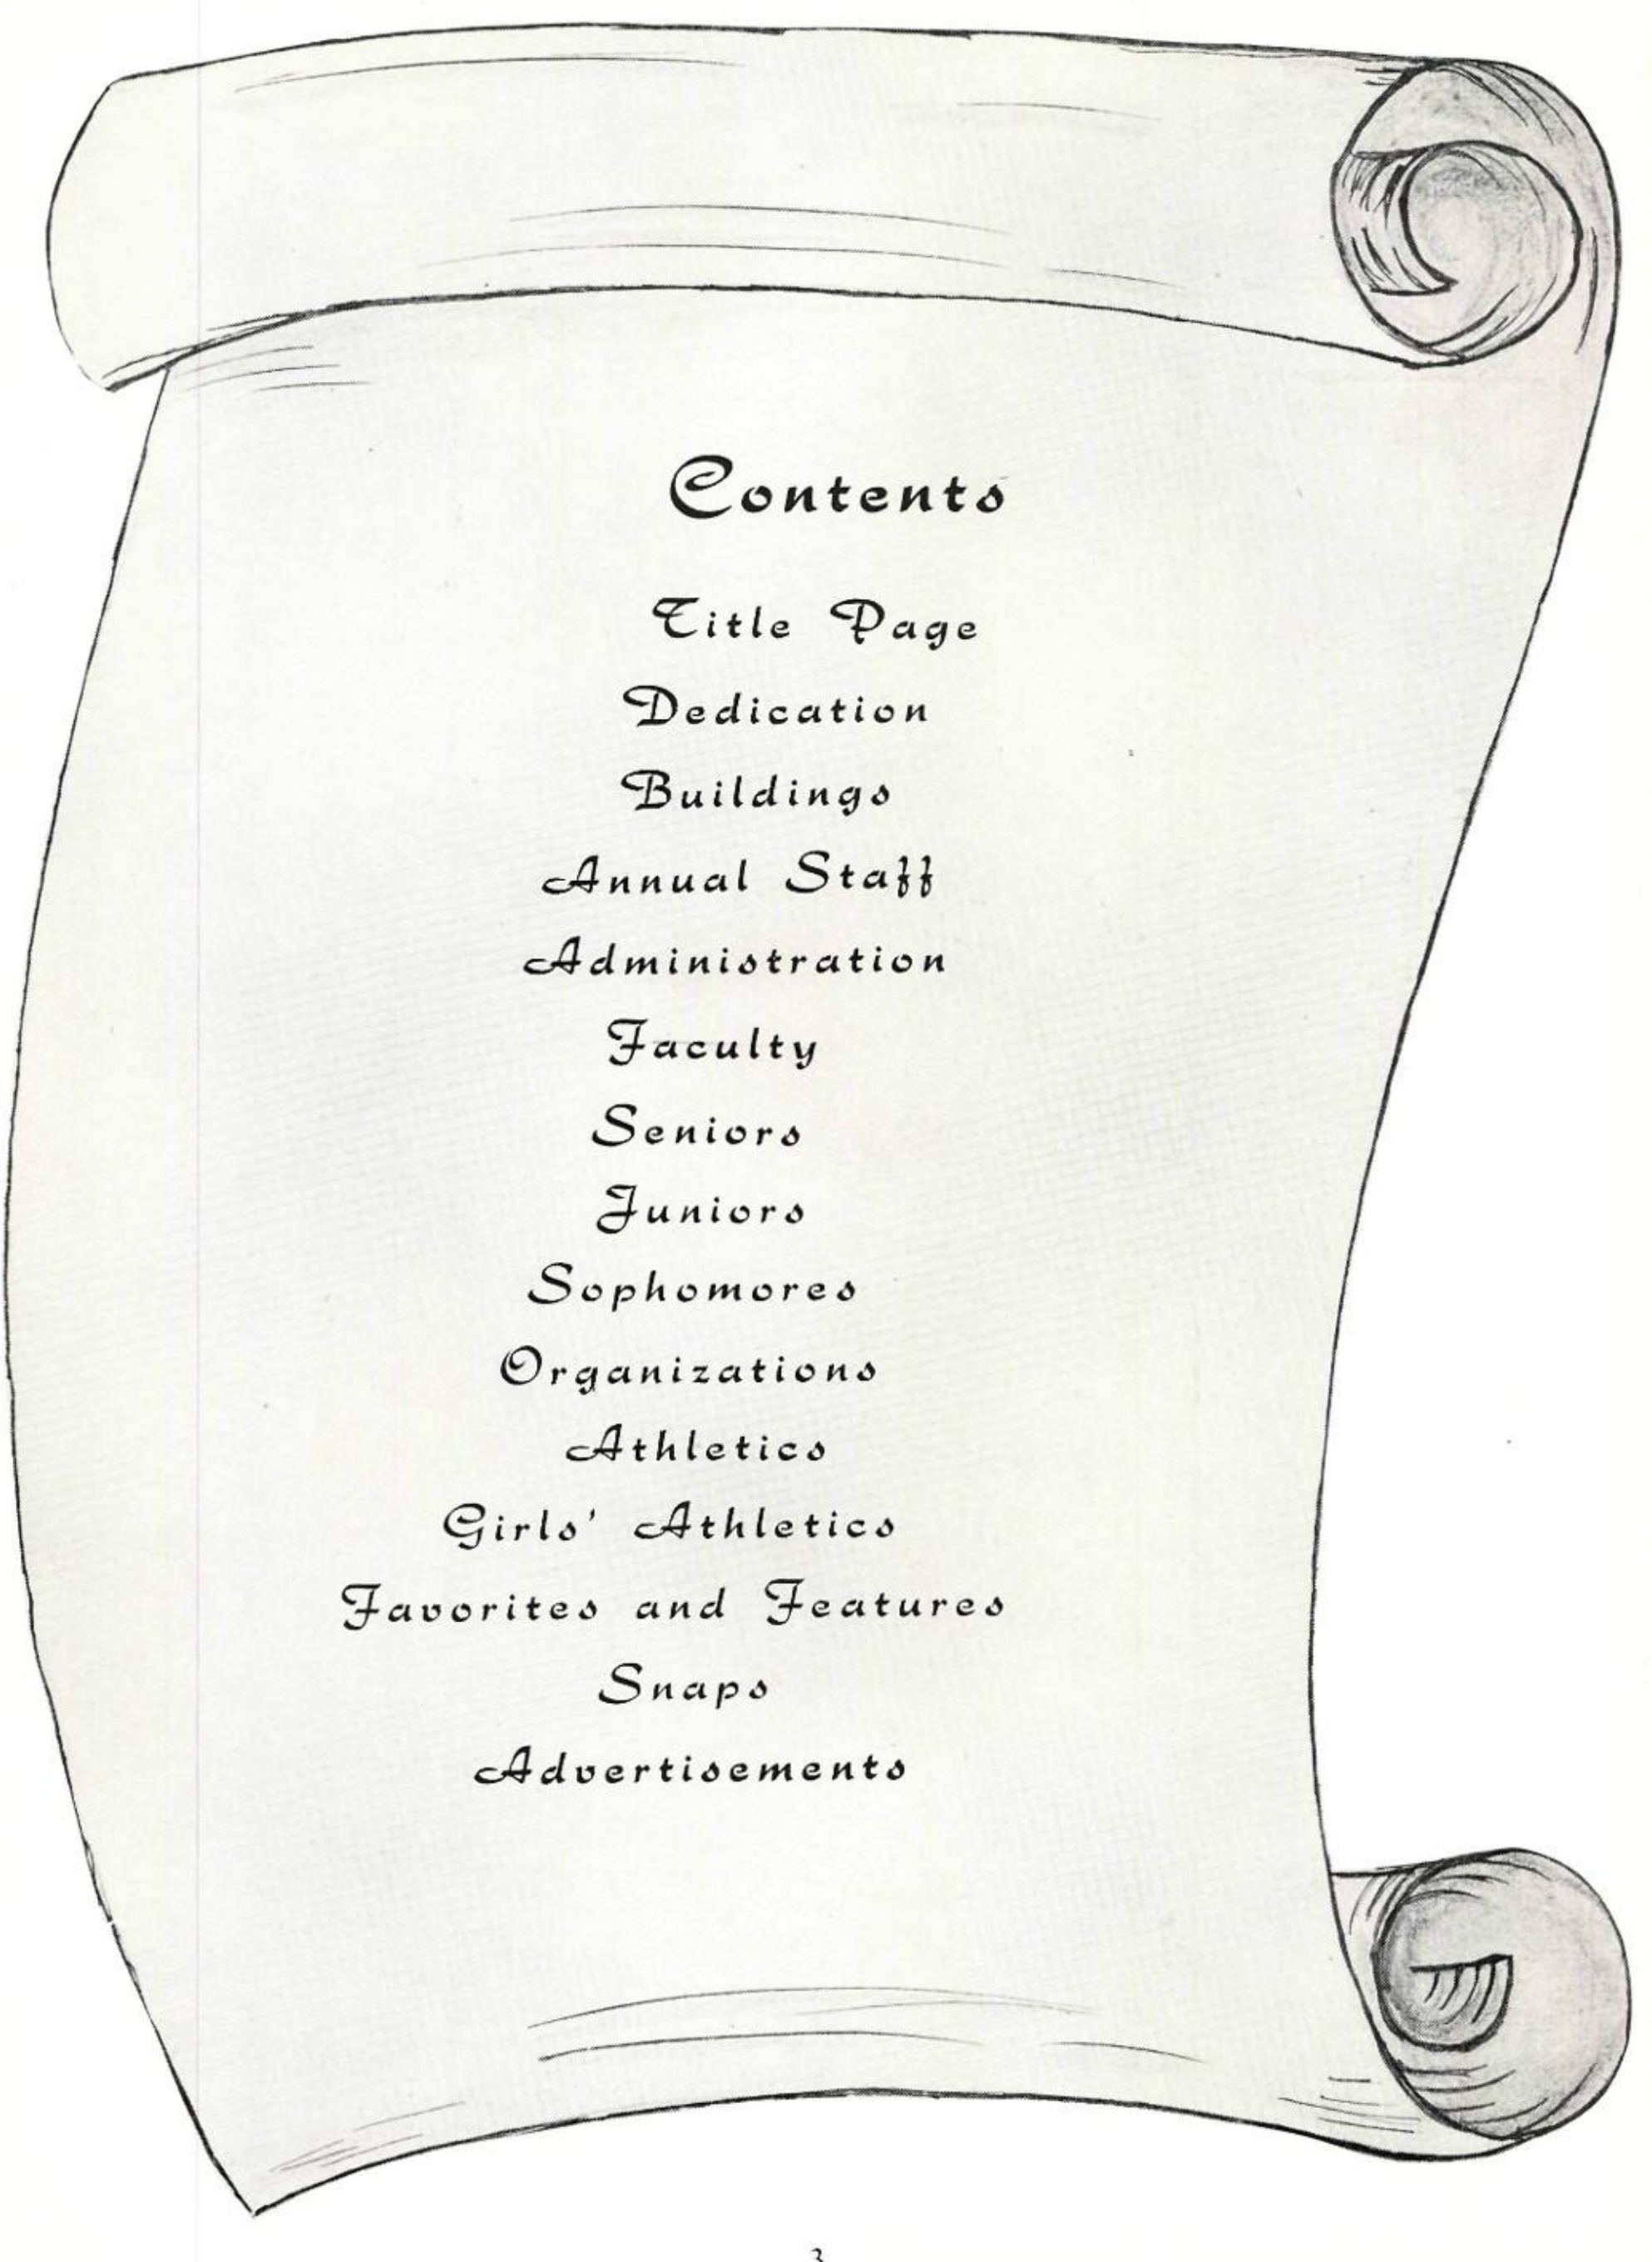

Dedication

The Annual Staff takes pleasure in dedicating the 1955 edition of *The Deer* to Mr. William A. Carpenter, President of the Deer Park Independent School Board.

Mr. Carpenter began his school career in 1934, when he came in as a member. He was elected president the following year. Mr. Carpenter is employed at Shell Oil Company where he is Manager of the Topping Department.

Mr. Carpenter's work and planning has been a great benefit to all students. Our lovely school building was built under his leadership and well-heeded advice.

Mr. Carpenter, we thank you for all your well-spent efforts and years as President of the School Board: we feel as though we have greatly profited.

Administration

You, the student body of the Deer Park High School, are to be congratulated on making the 1955-1956 school year a success. Some of you will graduate, and I hope with the satisfaction of a job well-done. Many of you will remain to carry on the fine tradition that has existed for many years. Each of you has something good to contribute, and with each contribution, our school will continue to grow strong and to succeed.

Best wishes to all of you.

Clyde A. Eslier

Superintendent

Dr. Herman A. Newsom
Assistant Superintendent

As 1955-56 is the first year of the Deer Park Senior High School, the 1956 *Deer* portrays the beginning of a new era in our school. We feel that the year has been outstanding in many ways, and we know that these achievements have been made through fine leadership by the seniors of 1956.

May we congratulate you on the completion of this excellent piece of work and, also, express our appreciation for the many other contributions that you have made. We wish for you equal or greater success after graduation.

A World Review

As the sun rises through the low-hanging atmosphere created by the local chemical plants, the eminent scientists, Mrs. Tapp and Mrs. Reeder, accompanied by a few reporters board the inter-planetary space machine, which was recently put on the market by that remarkable inventor, WENDELL TACKITT. The scientists' mission is to conduct "A World Review" to see how the world is progressing under the versatile leadership of the World Council headed by Mr. Covington.

As the space ship cruises in the lower stratosphere, they see what looks like a huge fruit basket; as they draw nearer, they see it's only the hat of "CHICK" ESPINOZA. She is making her debut as Carmen Miranda's successor in Hollywood. Still cruising over California, they run into terrible weather conditions near Los Angeles created by the well-known smog. BETSY MacGREGOR can be seen hard at work on a chemical analysis to clear the smog. This makes her twentieth year and still no progress.

Off again! This time they're going to the northern part of the United States. Ah, look down, who's that? Why, none other than MAURICE BARCLAY, hole-puncher in Limburger cheese at the Wisconsin Cheese Factory. As head cheese-taster, the reporters find WINDELL WATKINS.

Is that a forest fire? Goodness, no, that's the exhaust from TOM BABCOCK'S suicide-jet. He is racing at the Annapolis Speedway.

As they fly over Broadway in New York, they see the neon signs reading "Wiggles and Giggles", starring SUE HATCH and directed by the distinguished DON COOKE.

Now off to the land of Vacation, Sunny Florida. Having won the \$64.00 question and a trip to Florida, KATHRYN LAFERTY is seen lounging on the beach, basking in the sun.

Blasting off, they're soon in the countries on the other side of the Atlantic Ocean. Bowing to the cheers of millions in the Madrid bullring, they see LOU ADELE DORRELL accepting the coveted ears of the bull after her sixteenth kill.

Squash! Squish! Squush! Hey, what's that noise? There's WAYNE TUNSTALL in his newly-acquired position as chief grape-stomper for the "3 Hic's and a Headache Wine Company" in Italy.

Going through the hot, arid Sahara Desert, the space ship passengers think they see a mirage in the distance. No, it's the pink tents of Hajji Baba (GARY HODGE) and his harem girls. The girls are occupied with their various tasks. Desert Rose (DANIELLE GIRARD) is taking care of Myrtle and the other camels. Princess Scheherazade (SONDRA GROUNDS) is still floating around like "The Little White Cloud That Cried" after being dropped by Prince Ranier of Monaco. Little Sheba (INADON TRAMEL), Little Jewel (SELMA BROUGHTON), and Salome (BABETTE BURNS) are away participating in the foot races on the pyramids.

Back to civilization! Gay Paree is their next stop. Here they decide to land and take in the sights. At the top of the Eiffel Tower, they are surprised to see JIMMY MASSEY working his way through college as an elevator boy. They have lunch at a delightful sidewalk cafe called "The Three Old Maids." It is owned and run by JOYCE ANN WILLIAMS, VERLYNE KENDRICK, and JANETTE DAVIS. They are entertained by the famed Bubble Dancers. Later, we see their agent, STANLEY WHITAKER, rounding up the stars, GENEVA SMITH and JEAN PASCHALL, who drifted away during the last performance.

Crossing the channel to England, they look down and see a swimmer. Why, it's VENCIE McNEESE under all that grease! She is making her 56th attempt to swim the channel.

What is that noise? Bagpipes! And showing their knobby knees in a Highland Fling! JIMMY PHILPOT, JIMMY STEAM-BARGE, NIELS OLSEN, and "BUBBA" McLEAN are dancing away dressed in kilts.

The ship turns south to darkest Africa and they proceed as scheduled, until they run into a hunting party headed by BARNEY SMITH, King of the Circus Bear-Trainers. Traveling with him, they see CHUCK HORD, JACK MOORE and TOMMY

JARRETT, all fearless, bloodthirsty daredevils out for adventure. Bringing up the rear with a typewriter, an adding machine, and a bottle of aspirin is MAXINE LEISINGER, their chief cook and bottle-washer.

Back to the European continent and on to Russia! There they spot MAX PACE cutting holes in the Iron Curtain with a can opener. As their space ship will not fit through any of the holes, they travel on foot to meet the newly-installed leaders of the country, BOBBY REEVES and all his able comrades: JIMMY SAPP, HOWARD VICK, HERBERT LAAKE. Since these men are peace-loving Democrats, their positions are very precarious. Their chief scientist, LYNN URBAN, is away in Siberia making experiments for the "Cold War."

Off to a warmer climate, they arrive in the Hawaiian Islands to the rhythmic strains of "Cindy Lou." Here they talk to DONALD ROYALL, chief surf-board rider, who tells them about the great beach comber, JOHNNY SCHEER.

Again, they blast off. This time for the good old U.S.A. But, alas, because of engine trouble, the expedition is forced down in the great rubber producing country, Malaya. While repairs are being made, they spend the night at the home of BARBARA ISBELL, the co-owner of a rich rubber plantation which produces the basic ingredient for Triple-Trouble Bubble Gum. That's the company that sponsors the T.V. program starring JANICE HARMAN, the triple-trouble, singing beauty.

Again, they soar toward the United States and home. What an honor to be greeted by LAVONDA WELLS, now principal of D. P. H. S. She always said the principal's office was her favorite haunt. Visiting the school today, checking the children's teeth is Dr. WILBERT BIGOTT and his assistant, PEGGY VICKERY. (The teachers always said getting work out of Wilbert was like 'pulling teeth'.)

Good old low-hanging atmosphere and chemical plants! They all had a wonderful time conducting the "World Review", but each one was glad to be back in Deer Park. By the way, their report was that the world was progressing!

Junior Inheritance Announcement

by way of

Senior Will

We, the class of 1956, in the town of Deer Park, the county of Harris, and the great state of Texas, being in as good health as can be expected after twelve grueling years of study, and in a state of mind befitting forty-eight seniors who are about to pass away, do make and publish this, our last will and testament, hereby revoking and making void all former wills by us at any time heretofore made.

Owing to a lightness in the head, caused by its gradual swelling during the last four years, and a heaviness in the heart and other vital organs, caused by thoughts of parting and over-feasting, respectively, we are preparing for the 24th day of May in the year of 1956, at which time we shall pass away.

Thusly, do we declare our wishes as to the final disposal of ourselves and markedly intimate and personal possessions:

Therefore, we do first direct that our funeral services shall be conducted by our friends and well-wishers, the faculty, only enjoining that the funeral be carried on with all the dignity and pomp that our situation in Deer Park High School has merited.

TOM BABCOCK leaves his tiny waistline to Benny Stephenson and Jimmy Work. To Lynn Young and W. C. Harville, GENEVA SMITH leaves her loud, boisterous manner. BABETTE BURNS wills her quiet, shy ways and feminine laugh to Jo Ann Ott and Beverly Norman. DON COOKE wills his black, wavy hair to Ronnie DeBusk, Red Caldwell, and Melvin McReynolds.

VERLYNE KENDRICK and JANETTE DAVIS leave their spinsterhood to Rosemary Kock, Dorba McDougale, and Lois Jean Kelly. To Norris Stokes, MAURICE BARCLAY leaves his ability to give speeches in assembly. WILBERT BIGOTT leaves his short stature and great basketball-playing ability to Kenneth Kamstra. SELMA BROUGHTON leaves her shorthand ability to Irene Korenek.

To Tazie McDade, BARBARA ISBELL leaves her "water-fountain technique." GARY "HAJII BABA" HODGE wills his harem to Don Copeland and Marshall Borel. SONDRAG GROUNDS leaves her love for the band to Bud Hilliard. JOSEPHINE "CHICK" ESPINOZA leaves her homemaking ability to Martha Johnson. DANIELLE GIRARD leaves her athletic ability to Rogene Dyar and Becky Taylor.

To Jerry Sibert and Ralph Dunderdale, PENNY O'NEAL wills his red hair and freckles. LYNN URBAN leaves her ability to take boys lightly to Shirley Tramel. JIMMY STEAMBARGE leaves his permanent spot in the office to Stanley Kelley. To the Junior Class, STANLEY WHITAKER leaves all the money spent for the gas that he used by driving Lou Adele's car at lunch period.

INADON TRAMEL wills her dimples to Jo Etta Whatley. BARNEY SMITH leaves his ability to avoid school after football season to Marshall Smith and Steve Stephenson. JOHNNY SCHEER leaves his medals, which he hopes will still be unscratched, to Shirley Barnett, who will be expected not to scratch them.

JIMMY PHILPOT leaves his injured leg to next year's senior Duke of Coronation. To Jo Ann Cates, JIMMY SAPP leaves his ability to talk about nothing except cars. To Blackie Caldwell, JEAN PASCHALL wills her front seat in Mr. Covington's class.

HOWARD VICK and MAX PACE leave their mad scientific minds to Charles Parrish. DONALD ROYALL leaves his dry humor to Scott Goodman and Gerald Cain. NIELS OLSEN wills his baseball talent to Clarence Shinn and Mabry Wilburn. To William Henderson, JACK MOORE leaves one pair of straight legs. MAXINE LEISINGER leaves her long, naturally curly hair to Patricia Richardson and Shirley Shelby.

JOYCE ANN WILLIAMS wills her tumbling ability to Delora Kech. JANICE HARMAN leaves her smooth, unruffled temperament to Robert Potter. CHARLES HORD leaves his wit to Kit Maybin and R. C. Crawford. HERBERT LAAKE leaves his recently acquired flirting ways to James Ussery. And to Frances Nebel, SUE HATCH leaves her walk.

KATHRYN LAFFERTY leaves her art ability to Donna Miller. LOU ADELE DORRELL wills her long, curly eyelashes to Diane Parish. PEGGY VICKERY leaves her spelling ability to Jacque Stephenson. WENDELL TACKITT leaves his physique to John Henderson and Darrell Meldrum.

BETSY MacGREGOR wills her ability to loaf through high school to Jimmy Guidry. WINDELL WATKINS leaves his "scrunching" ability to Carl Brock, Jimmy Haynes, Carl Gene Tolar, and Kirby Iselt.

WAYNE TUNSTALL leaves his beautiful handwriting to Clayton Leonard. And to Rex Gibson, BUBBA McLEAN wills his "'nanner" nose. VENCIE McNEESE leaves her good health to Maury Purdom. BOBBY REEVES leaves his good looks to Armond Jones.

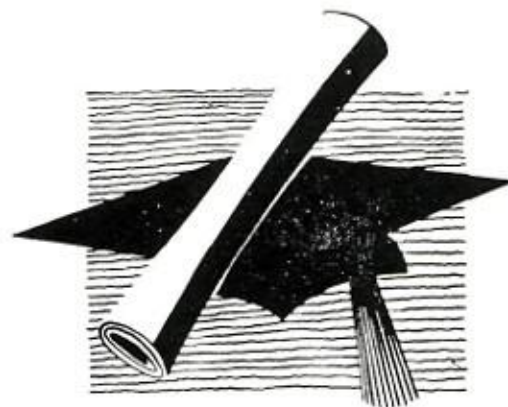

To Ernestine Francway, LAVONDA WELLS leaves her love for English. TOMMY JARRETT leaves his singing ability to Edwin Kendrick and Floyd Harvey.

Finally, we do hereby name and appoint as the executors of this, our last will and testament, our class advisers, Mr. Covington, Mrs. Reeder, and Mrs. Tapp.

In witness whereof we, the class of 1956, the testators, do hereby set our hand and seal on this 12th day of March in the year of 1956.

The Annual Staff

Shell Oil Company's Deer Park refinery processes approximately 125,000 barrels of crude oil each day, transforming it into gaso-

line, aviation fuel, diesel fuel, kerosene, domestic heating oil, lubricating oils, wax and other necessities of our modern civilization.

Twenty valuable chemical products are manufactured at the Deer Park plant of **Shell Chemical Corporation**. These products are

made from petroleum-derived raw materials and find their way into such everyday items as cosmetics, inks, dyes, varnishes, disinfectants and many others.
